

## Links:

I thought I should include a list of links that really helped me out in my research. These are all great sites...

[www.sksboards.com](http://www.sksboards.com) - This is my favorite group of people on the net.

[www.ak-47.net](http://www.ak-47.net) - Tons of information here.

[www.surplusrifle.com](http://www.surplusrifle.com) - Great site with a lot of "how-to" info.

[www.linx310.nothingbutguns.com](http://www.linx310.nothingbutguns.com) - Specializes in Romanian Aks.

[www.Redstearms.com](http://www.Redstearms.com) - Great for parts (especially Saiga conversion).

[www.kalinkaoptics.com](http://www.kalinkaoptics.com) - Great for scopes & mounts.  
(Russia)

[www.Saiga-12.com](http://www.Saiga-12.com) - All about Saiga rifles & shotguns.

[www.k-var.com](http://www.k-var.com) - Probably the biggest AK parts dealer.

[www.ironwooddesigns.com](http://www.ironwooddesigns.com) - Great wooden AK stocks.

[www.globaltrades.com](http://www.globaltrades.com) - Good for AK parts & accessories.

[www.siminov.net](http://www.siminov.net) - The greatest SKS info site

[www.Tapco.com](http://www.Tapco.com) - Great assortment and service
